

# BSAM Implements Temporary Phased Plant Shutdown

Bridgestone is **temporarily extending shutting down operations** at all manufacturing facilities in North America and Latin America due to COVID-19. The temporary shutdown does not include the warehouse operations.

This decision is being made out of an abundance of caution to **ensure the safety and well-being of teammates** and due to an anticipated temporary reduction in product demand.

Operations are expected to resume

- Monday 6 am 4/13/2020 for departments 458, 401,412,426,422,123,124,831,651,714
- Tuesday 6 am 4/14/2020 for departments 135,145,159,178,179,231
- Wednesday 6 am 4/15/2020 for departments 146,169,139,239,269,248
- All hourly teammates are eligible for unemployment and SUB pay.
- All Salaried teammates please contact your manager.
